# Pastor's Message

## End of Another Religious Education School Year

Dear Religious Education Students, Teachers, and Parents:

What is the highlight of our parish? I believe it is the faith formation of our children. When I took charge of the Knanaya Catholic Mission of Chicago on July 1, 2004, we had an average of 175 people for Sunday 5:30 P.M. Holy Mass at I.H.M. Church in Chicago. The number of attendance was significantly reduced because of the negative trend at that time in our community in Chicago and all over North America against the reconstituted Knanaya Catholic Missions by Bishop Mar Jacob Angadiath. We had a Religious Education School under the leadership of Rev. Fr. Philip Thodukayil at KCS Community Center on Sundays along with Holy Mass at 10:00 A.M. in which around 50 students participated.

Change began to happen when we gave emphasis to Religious Education. We rented the I.H.M. School on Sundays for religious education classes, selected many young people and high school students as teachers, trained the staff, and sought the help of many parent volunteers. We also started another Religious Education School in North Lake and later in Addison for those who live in the South suburbs. Those attracted more of our people to come to our Holy Mass. Then we also added many more pastoral activities like feasts, religious education festivals, pious associations, and ministries for various ages. All these facilitated us to look for our own facilities for church services.

A great change happened when we began to use our first Knanaya Catholic Church in Maywood on September 1, 2006. We got many students in the Religious Education School there. Our own facility at Maywood favored us to have many pastoral activities. In the meantime we continued our Religious Education School at OLV Church. Thus the Sacred Heart School at Maywood and St. Mary's School at O.L.V. in Chicago began to function well. It is the St. Mary's Religious Education School that kept the St. Mary's Unit live. We could notice that when we didn't have the Religious Education Classes, we had less attendance in both churches.

The next stepping stone in the history of our community happened when we started our second church in Morton Grove on July 18, 2010. That resulted in the unusual growth of St. Mary's Religious Education School. Thus our Religious Education School has grown from 50 students and six adult teachers to a total of 635 students and 133 teachers in both schools combined. We also have English Mass exclusively for Religious Education Schools on Sundays.

When we first started the Sacred Heart Church in Maywood, we used to organize various extra activities on Sundays when we had no Religious Education Classes just to attract our people to come to our own church. Once our children are used to come to our churches, we don't need such extra attempts to attract our people to our churches on Sundays even if we don't have the Religious Education Classes. Our children, teenagers, and youth who become part of our churches now love to come to our churches on Sundays for worship and also to mingle with their friends and community members.

The Knanaya Community likes to keep up its faith and community spirit. The more the members of a community meet and interact, the more is the cohesiveness of the community. Our lay organizations have contributed much in bringing our people together for this community relations. We need to be grateful to them for doing such a wonderful service. However, once we have Knanaya Churches, our pastoral setup can do immense contribution in our faith formation and community development because the churches can bring our people together every weekend and even on a daily basis.

My humble request to all of you is to come and attend Holy Mass in our own churches where Jesus is present and offers sacrifice for us during this summer holidays. Let us love and support our churches.

Since May 22nd is the last class of this academic year, I would like to thank all who have contributed for the good functioning of our both Religious Education Schools. Special mention is to be made for the substantial contribution of Johny Thekkepparambil who has been the coordinator of Directors of Religious Education (D.R.E.) and DREs Saji Poothurkayil, Tonny Pullappally, Tomy Kunnassery, Sabu Mutholam and their associates.

With love and prayer,

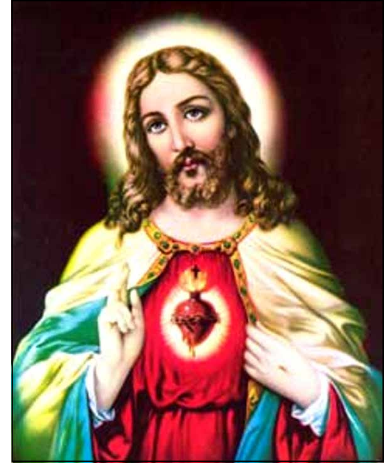

Fr. Abraham Mutholath
