THE SYMBOL OF THE PERIOD OF APOSTLES

The tree spreading its branches to the four corners and rooted firmly in the soil is the Church. The stem is Jesus Christ; twelve branches symbolize twelve Apostles and the various Churches they established. The plenteous leaves and fruits depict the prosperity of the Church. The holy Martyrs and Saints are the shining fruits of the Church. Two great Feasts – the Transfiguration of our Lord and the Assumption of our Mother – which really proclaim the content of this season are pictured on either sides of the tree.

Season of Kaitha

This season commences commemorating the twelve apostles of Christ. The seven week long period is called Kaitha. The term 'Kaitha' means summer. It is the season of harvest. This season reminds us of the growth of the Church as a result of the missionary activity of the apostles.

The criteria to measure the growth of the Church are the life of witness of the individual Christians. Hence the commemoration of apostles and martyrs who were faithful to the Church is a special feature of this season. It reminds also of our responsibility to follow their life-style. This season reminds us of a total conversion which is effected by the renewal of mind and heart through the obedience of the law.

It can be seen also as a preparation to the season of Elijah-Cross-Moses that points to the second coming of our Lord. It directs us to the need of repentance and conversion. We have to be prepared for the second coming of our Lord. May this season help us to renounce our sinful ways and lead a life of holiness.
