**Season of Elijah – Cross – Moses**

This season points to the second coming of our Lord and the ultimate success of the cross. The central point of this period is the feast of the Exaltation of the Cross celebrated on 14<sup>th</sup> September. The early Church believed that Elijah would come before the second coming of Jesus Christ (Malachi 4:5). The fact that at the moment of transfiguration of our Lord, Elijah was present with Him strengthened this belief. The transfiguration of Jesus is a symbol of His second coming. The presence of Moses at the scene of transfiguration may have been the reason why this name is added to the Period of Elijah-Cross-Moses.
